- 4.(d) Examining financial statements submitted by special projects and indicating approval of the certification of the operations officer by affixing his signature to a certificate as follows:

"I have reviewed this report on the disposition of Agency funds and other information obtained in the fulfillment of my responsibilities for this project, and certify that, to the best of my knowledge and belief, the reported use of Agency funds is reasonable and necessary, and within the scope of the project authorizations. I am aware of no reason why Agency financial support as provided in the approved project plan should not be continued."

25X1A9A

The approving officer shall attach a memorandum to the financial statements setting forth any exceptions taken by him to the action of the operations officer, with reasons therefor.
